Subject: Priority 3 Congressional Requests. Due Late Next Week

Hi all,

Please find below the Priority 3 requests. (FYI, there is no priority 2 for you all. I don't want you to think you're missing anything). After consulting with Sandy S., she thought you should be the recipient of these.... I think – I have 60 right now and it's hard to keep all of these straight. If I am sending these to the wrong people, please let me know who would be better to receive them.

Please circulate **ONLY FINAL** responses to me and please mark them **FINAL**. If you are working directly with the JIC, please add this language: **FINAL with approval from JIC**. If a response does not contain that statement, I will work with the JIC for review and finalization.

I will then disseminate the final JIC approved response to the appropriate parties.

Please let me know if you have any questions.

Rebecca A. Russo
